

COMBI, COMBI 407 with 221 Connectors: Win, Win

COMBI 407 with 221 Connectors

The iconic **COMBI® 407 Junction Box** from WISKA now complete with WAGO **221 connectors**. WIN WIN!

“Time and time again contractors kept commenting that they loved using our COMBI® Junction Boxes with the 221 series connectors” comments Terry Boswell, WISKA Sales Office Manager “So, we decided to offer them just that! Win, Win for everyone.”

221 - 413 Connector

Pull the lever up, insert a conductor and push the lever back down – done. The 221 Series Lever Connectors easily, quickly and safely connect solid, stranded and fine-stranded conductors ranging from 0.14 to 4mm².

COMBI 407

The COMBI 407, offering IP66/67 protection, 7 x 20mm threaded membrane entries and 1 x 25mm knockout. This robust enclosure is perfect for outside requirements including LED lighting and CCTV systems.
